Controlled Vocabularies used in the QDDT v2.0

RationaleCode Controlled Vocabulary

The vocabulary is used to document a reason for a business version change. DDI 3.2 usage: Element r:RationaleCode

Code 1st level	Term	Definition	Code 2nd level	Term	Definition
TypoOrNoMeaning Change	Typo or no meaning change	Minor changes such as changes in punctuation, spacing, capitalization or spelling, and other typographical and orthographical changes that do not change the meaning.			
MeaningChange	Meaning change	Any other change that could affect the meaning. If the amendment is considerable enough, review whether becomes a new element rather than a new version.			
			ConceptualImprovement	Conceptual improvement	The change represents an amendment in wording in order to better cover the intended meaning, for example when a concept description wording is changed with aims of corresponding better with the intended concept
			RealLifeChange	Real life change	The change corresponds to a real life change
			AddContentElement	Add content element	A content element is added to the element inline or by reference, for example a name added to a question item etc.
			OtherPurpose	Other purpose	The change is made for other purposes not found in the list

BaseOnRationaleCode Controlled Vocabulary

The vocabulary is used to document how a new object is based on an existing object. DDI 3.2 usage: Element r:BasedOnRationaleCode

Code 1st level	Term	Definition
CopyOfSource	Copy of source	The element is an identical copy of a source element
VariantOfSource	Variant of source	The element is different from (different ID), but based on a source element. If the amendment is not considerable, review whether becomes a new version rather than a new element.
TranslationOfSource	Translation of source	The element is a translation of a source element

PublicationStatus Controlled Vocabulary

Agency specific vocabulary is used to document which workflow milestone a publication package is intended for. DDI 3.2 usage: Element r:UserAttributePair

ESS specific PublicationStatus CV

Code 1st level	Term	Code 2nd level	Term
